## **FISCAL ANALYSIS**

### **ASSUMPTION**

The **Joint Committee on Public Retirement** indicates that this legislation does represent a “substantial proposed change” in future plan benefits as defined in Section 105.660(5). Therefore, an actuarial cost statement as defined in Section 105.665 must be provided prior to final action on this legislation by either legislative body or committee thereof.

Pursuant to Section 105.670, this actuarial cost statement must be filed with 1) the Chief Clerk of the Missouri House of Representatives, 2) the Secretary of the Senate and 3) the Joint Committee on Public Employee Retirement as public information for at least (5) legislative days before final passage of the bill.

An actuarial cost statement for this legislation has not been filed with the Joint Committee on Public Employee Retirement. It would be impossible to accurately determine the fiscal impact of this proposed legislation without the actuarial cost statement prepared in accordance with Section 105.665, RSMo.

Officials from the **Missouri State Employees’ Retirement System** assume the proposed legislation described in Fiscal Note No. 4443-01N (HB 1138) would, if enacted, prohibit members of the general assembly from accruing credited service under Chapter 104, beginning January 1, 2013.

The proposed removal of benefits for new hires is estimated to have no effect on MOSERS’ current benefit obligation or current employer contributions for members presently covered under the system.

Officials with the **Missouri House of Representatives** and **Missouri Senate** assume there will be no fiscal impact to their agencies.
